Important Notice!

To All Massachusetts Building Officials

As many of you may know and for those that do not, The Town of Douglas recently informed the incumbent Building Commissioner that his service in Douglas would be terminated on or about December 31, 2018. The Town of Douglas has contracted with an inspection company to conduct the business, permitting and inspection, of the Building Official.

The Mass. Federation of Building Officials has sent a letter to the BBRS objecting to what we believe to be a violation of Mass. General Laws chapter 143 section 3 and the Mass. Building Code sections 110.R7.1.7.1 and 110.R7.1.7.4

Tuesday, Dec. 11, 2018 at 1 PM the BBRS has scheduled a special meeting to discuss the complaint of the Federation location 50 Maple Street Milford.

A strong showing of Building Officials from across the state is needed at this special meeting.

I encourage each and every one to take the time to attend the meeting. The results will affect your job and the jobs of all Building Officials.

Robert C. Borden, President
Mass. Federation of Building Officials
