Hello,

I hope this email finds you all healthy and prosperous in this New Year!

Metro-West Building Officials is starting an endeavor that is close to my heart and I'm hoping to be close to yours as well. We very much like to provide a free Thanksgiving meal served in a community atmosphere for those seniors who are alone or financially unable to provide a meal for themselves. As you know, food insecurity is at an all-time high. According to [USDAIRY.COM](https://www.usdairy.com), over 34 million people in the US including 9 million children are food insecure. The local food banks and SNAP (Supplemental nutrition assistance program) are receiving increasing requests for assistance according to Grafton food bank volunteers and the Grafton Senior Center Outreach worker. It is our goal to provide relief for as many as we can by offering them a judgmental free, warm place to dine. As you can imagine this will take many hands and donations. It is my hope that everyone receiving this email will be open to support my endeavor.

Please contact me with any questions, concerns or comments, any help you or your organization can provide would be greatly appreciated. Meetings to formulate a plan will begin shortly. I'd love to have you!

Thank you,
