Eugene "Gene" Novak, Jr.

State Building Inspector with the Department of Occupational Labor Office of Public Safety & Inspections. Gene has over 32 years of knowledge of experience applying building codes and standards to a variety of buildings and structures in the built environment.

A Thanksgiving Celebration

Metro-West Building Officials Association is organizing a free Thanksgiving meal for senior citizens in several communities who may not have the resources to provide a traditional holiday dinner for themselves.

This is a pilot program, and if successful, the association hopes to expand it to other deserving groups such as veterans next year.

The association is asking for help from its members and the general public in any way possible, including making a donation.

Donations to the Metro-West Building Officials Association are tax-deductible since it is a registered 501(c)(3) entity.

Those interested can donate through the association's webpage mwboa.org or by sending a check to MWBOA memo thanksgiving celebration
